

Why choose SSVAP

The Symbiosis School of Visual Arts and Photography (SSVAP) is situated at the picturesque Lavale hilltop in Pune with the core idea of providing quality education and industry learning environment in the specific areas of visual arts such as photography, filmmaking and visual effects.

Students @ SSVAP learn and experience various visual art forms via multiple methods such as In-class discussions and case studies, on-field tasks, In-studio workshops and practical sessions, Outdoor sessions, Field trips and guest lectures.

Visual Arts education needs a strong infrastructural support and SSVAP is proud to have state of the art studios and photography and filmmaking equipment. SSVAP is partnered with SONY for all cinema-related technology solutions while CANON and NIKON help us manage photography equipment requirements.
