**Akshat Aggarwal, B.A.LL.B 2011-16**  
Legal Asst., Ministry of Health & Family Welfare

I had read somewhere that an individual's intellectual and social stimulation begins from the college. Today when I think of this statement I think it is cent percent true. From walking in as a fresher with no direction and walking out at the end of 5th year as a confident person is probably the best transformation a person can get in CPJ. I am thankful to whole CPJ family especially SoL for making me what I am and motivating me for 5 years and later years also.

**Pankit Sehrawat, BBA(CAM) 2012-15**  
Analyst at Google, HCL

It's always a great feeling to browse down the memory lane, especially if it relates to your College life. Remembering my college days, rather the 3 years, pursuing BBA CAM course at CPJ-CHS, makes me feel nostalgic. The classes, the disciplined environment, the learning from the faculties, the industrial visits, PDP sessions, guest lectures, cultural fest-- in all, the experience & exposure gained at the college makes me where I stand today. I would love to thank all my Faculties who were always there to nurture & guide us.

**Aman Dargan, B.COM(H) 2013-16**  
Sales Manager, IDFC First Bank Ltd.

It would be difficult for me to sum up my 3 years of CPJ in just few lines. CPJ College made me focused & confident and the learning gained during the course of my education has contributed to my professional growth in the later years. CPJ College has nurtured my aspirations and laid the foundations to realize those aspirations. The best part is that they strive hard to provide best internships and placement opportunities to the students with some of the reputed organizations.

**Himani Sharma, B.A.LL.B(H) 2012-17**  
Civil Judge in Bihar Judicial Services

I have passed my Law graduation with First Division and had been a hard-working student with high social values. I was greatly impressed by the establishment and the way of teaching in CPJ, which further motivated me for joining Judicial Services and with God's grace, blessings of my Parents, Faculties and my hard work, I ultimately succeeded in clearing Bihar Judicial Services. This proves that Success can be achieved when one gets determined for it.

**Navneet Kashyap, B.A.LL.B(H) 2012-17**  
Civil Judge in UP Judicial Services

Missing my CPJ College brings both happy and sad memories. Happy memories include supportive teachers, great friends and support by the Senior Dignitaries. Sad memories include the Farewell, leaving every thing behind and missing those days.

The Court Visits, PDP Sessions by Director General Sir and Moot Court Competitions were all very helpful in pushing me towards my goals. I am highly obliged towards my faculties who always helped me and made my dreams come true.

**Navneet Kaur, BBA(G) 2016-19**

Words are much less to express the bond we share...

It begins and ends with supportive environment and a positive teacher-student relationship that draws students into the process of learning and uphold their desire to learn. Lessons I learnt, being punctual and sincere in class, have inculcated in my corporate life. Personal traits that have evolved, i.e., thoughts, confidence, dedication and sincerity, are all self earned with the help of priceless guidance during the college days. I would love to thank all my Faculties who were always there to uplift us for our future.

**Arnav Jain, BBA(CAM) 2019-22**

My alma mater has made me a good person, a good sportsman and above all a better soul. I will always remember the 3 years that I have spent during BBA(CAM) as the best years of my life. Amazing infrastructure, excellent faculty members, unmatched syllabus, loads of opportunities, latest technologies and well equipped labs.
