:: INTRODUCTION ::

Bidhan Chandra College, Rishra, affiliated to the University of Calcutta, is situated in the heart of the industrial belt in the Serampore Sub-Division of Hooghly District in West Bengal. It was established in 1957 after the name of illustrious Dr. Bidhan Chandra Roy, the then Chief Minister and architect of modern West Bengal. The college owes its existence to the munificent charity of Birkmyre Education Trust as also to the well wishers of the college like Late Shrihuban Bose, Late Pannalal Mukherjee, Late principal Kanai Lal Ganguly and others who made laudable efforts in its making.

The in-campus setting of the institution immediately nullifies the din and bustle of the busy G. T. Road and its surrounding. The moment one crosses the main entrance of the college, it becomes impossible for him or her to fight shy of the refreshing ambience-an ambience with a panoramic view of the holy Bhagirathi with a strand line stretching over around hundred meters covered with amazing lush foliage which virtually transforms the campus into an emerald idyllic aura.

The intermingling of students of various shades of classes, castes and communities and of various languages, religions and cultures coming from Rishra and adjacent localities, even from distant rural areas, helps to develop a healthy broad culture in the campus life.

Moreover, the notable feature of the institution is the influx of a large number of the first generation learners and some of them have shown outstanding performances in their respective professional lives.

Finally, after the successful accreditation of the college by NAAC in 2016, various academic and administrative measures are being adopted in different spheres of the college for its adequate updation. Most significant among those is the year-long celebration of Diamond Jubilee of the college during 2017-18 when quite a good number of outstanding cerebral and cultural events have stolen the show and some more are in the offing.

Bidhan Chandra College, Rishra is the First higher Education Institution in the Hooghly District to run the M.A. Courses (DDE) having affiliation with Rabindra Bharati University. Since the inception and introduction of the M.A. courses in the college, students, who are mostly first generation learners coming from backward areas and from financially challenged families, are being immensely benefitted having the opportunity to attend classes conducted by adequately experienced and sincere teachers who are always eager to deliver their intense care and support to serve the causes of the students' academic interest. Moreover, two more M.A. courses (viz. Sanskrit & Political Science) have been introduced from the session 2019-2020.
