Chancellor's Message

Dear Students,

It gives me immense pleasure to interact with you through this handbook. It is said that education is what stays with a person when everything else is gone. In today's competitive world, good education is not only a must but also an opportunity to excel in different spheres of life. In my belief, education along with a sharp mind capable of understanding and possessing a sense of being a responsible individual is an antidote to ignorance.

At Dr. D. Y. Patil Vidyapeeth, Pune, it is firmly believed that we, at Vidyapeeth have to contribute towards the social and economic development of the nation. It is only possible by imparting higher education to its students so that they become competent, professional and liberal minded individuals. The Vidyapeeth is providing high quality education ensuring the pursuit of knowledge and creation of new ideas. Vidyapeeth is re-accredited by NAAC with a CGPA of 3.64 on a four-point scale at 'A++' Grade. UGC has declared DPU as Category-I University under Graded Autonomy Regulations 2018.

The erstwhile MCI / NMC has recognized an intake of 250 for the MBBS course, 220 seats for the post-graduate medical degree course (MD and MS) in as many as 20 subjects and 30 seats for Super-specialty Courses, M.Ch. in Neuro-surgery, Urology, Cardiovascular & Thoracic Surgery, Plastic & Reconstructive Surgery, Surgical Oncology, Paediatric Surgery and DM in Nephrology, Cardiology, Neurology, Interventional Radiology, Medical Gastroenterology and Critical Care Medicine to the Medical College. The MBBS degree of the Vidyapeeth has been recognized by the Malaysian Government and Malaysian Medical Council and Medical Board of California, in addition to Medical Council of India.

In keeping with our commitment to excellence, a large hi-tech hospital is functional with an area of 76, 896 sq. mt. and provision for 2011 beds including super-specialities. This hospital has 13 basic OPD's, 10 Super-speciality OPDs, 140 ICU beds, 29 Operation Theaters and 58 private rooms.

I extend to you my best wishes for a successful performance at the professional course of your choice. I welcome you at Dr. D. Y. Patil Vidyapeeth, Pune.

Dr. P. D. Patil

Dr. D. Y. Patil Vidyapeeth, Pune

Pro-Chancellor's Message

Dear Students,

It is my privilege to share my views through this handbook, the best media to connect the YOUNG minds of the nation. The future, as aptly said by Robert Hutchins "The objective of education is to prepare the YOUNG to educate themselves throughout their lives."

Dr. D. Y. Patil Vidyapeeth, Pune is NAAC re-accredited with 3.64 CGPA and ISO 9001: 2015 accredited Deemed University. At national level, Dr. D. Y. Patil Medical College, Hospital and Research Centre is placed at 19th position in NIRF (2021).

The cradle of this college started in 1996 and here we are today with magnanimous 2011 bedded hospital with the state-of-the-art infrastructure and latest technologies like 4th generation Da Vinci xi Robot for Robotic Surgery, Twin Cath Lab, 128 Slice CT Scan machine, Asia's first 3 Tesla MRI with artificial intelligence and functional MRI VIDA system, which not only gives all of you budding doctors' hands on work experience, but dynamic scope to learn and grow too. Our University Hospital stood first among 653 private hospitals in the country in "Swachh Bharat Initiative - Kayakalp" by Ministry of Health and Family Welfare, Government of India in October 2019. The College scored 100/100 in the large-scale hospital category.

Dr. D. Y. Patil Medical College, Hospital and Research Centre, Pune is conferred with National Award in Green Hospital Category by Association of Health Care Providers, New Delhi in February 2020. This national status is possible because of academic excellence, reputed trained medical faculty, brand reputation in medical profession and world class infrastructure.

I feel proud in sharing that this exceptional institution, founded by Dr. D.Y. Patil in the year 1983 and thereafter with his blessings, our Chancellor Dr. P. D. Patil constantly worked for 24 x 7 with a great vision, dedication, determination and developed 32 colleges from KG to P. G. Nearly 26,000 students are studying every year. The hi-tech hospital has procured 140 Intensive Care beds, 29 Operating Theatres with advanced technology, 80 specialized outpatient consultation suites, multi-organ transplant facilities like kidney, liver. We started the renal transplant facility. Till date, we performed more than 126 successful kidney transplants. The facilities for angiography, angioplasty, cardiovascular surgery, etc. have been incorporated.

We have unique IVF and Endoscopy centre which is a state-of-the-art fertility facility that provides exceptional personalized reproductive & fertility health care to the patients. We have achieved high successful pregnancy rates because of our ultra-modern technology in the IVF Lab, being the "First in Pune" to be using Time Lapse imaging for best Embryo Selection.

We have "Yashoda" Milk Bank to promote breast feeding practices and to provide safe donor human milk for needy and sick newborn. We have got more than 11,567 donor mothers and we feel proud to say that we have fed more than 16,814 newborns. Our collection of milk is approx. 24,00 liters! Keeping the mission of academic excellence, DPU - Dr. D. Y. Patil Vidyapeeth, Pune, is always continuing its date with inexorable development activities in all the fronts, in a bid to create a world class University. This is reflected by the consistent expansion of infrastructure, faculty research contributions & National-International linkages & collaborative initiatives, signaling out globally that DPU is focused with its thrust area in Research & Scientific development activities.

Visualizing to see an enlightened, cultured and economically vibrant INDIA, developed through education in diverse disciplines, we at DPU keep up the commitment to contribute towards the growth of our Nation, the purpose of our Vidyapeeth and also our dream to make DPU global hub for Academic Excellence in the field of higher education.

Wish you Good Luck in your future endeavor!!!

Pro-Chancellor
Dr. D. Y. Patil Vidyapeeth, Pune

Vice-Chancellor's Message

Dear Students,

It gives me immense pleasure in introducing to you one of the premier institutions in the field of Health Sciences in the country. I believe that the success of a premier University lies in the perfect combination of having dedicated and knowledgeable faculty, state-of-the-art infrastructure and students having an urge to learn and create something new every day. Dr. D. Y. Patil Vidyapeeth, Pune has always been combination of these three essential requirements; that is why it has touched the pinnacle in the field of education, particularly health sciences.

With the aim of providing latest inputs in their respective fields and ensuring the students to be at par with their international counterparts, regular interactions with internationally acclaimed guest faculty are organized. In this regard, a regular online program 'Clinical Global Health Education' in collaboration with Johns Hopkins University School of Medicine has been going on for several years in the Vidyapeeth.

At DPU, we provide opportunities to students for involvement in innovative research projects and life enhancing community service. We believe that complete education is what makes a student self-educated. To ensure this, greater emphasis is given on problem solving capabilities of students.

Dr. D. Y. Patil Medical College under the aegis of Dr. D. Y. Patil Vidyapeeth, Pune has world class infrastructure, virtual classrooms, highly qualified and dedicated faculty, adequate co-curricular facilities, spacious museums, laboratories and libraries with sufficient number of books and journals. The College has the right blend of ambience to promote the highest level of academic and personality development of each student.

Dr. D. Y. Patil Vidyapeeth, Pune re-accredited by the National Assessment and Accreditation Council with a CGPA of 3.64 on a four-point scale at 'A++' grade, is providing high quality education ensuring the pursuit of knowledge and the creation of new ideas. At national level in recent NIRF ranking (2021) the DPU is placed at 49th position in University Category & 19th in Medical Category. Further UGC has awarded Category-I University Status in 2018.

With these commendable achievements, I believe that there is still scope for us to become the best and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculty of various institutions, which include experienced, knowledgeable and caring mentors.

Lastly, I congratulate you for having chosen this college to pursue and achieve your future dreams and professional objectives in the area of health sciences.

Welcome on behalf of the entire Vidyapeeth fraternity.

Radiology

The Department of Radio Diagnosis and Imaging is considered as one of the best centers in Pune.

The Department is well equipped. It has the most up-to-date features and facilities. Available in the Department are 3T and 1.5T MRI Machines, DSA and Multi Slice 2 CT Scanners. It also has an excellent Mammography unit that helps in early diagnosis and management of breast diseases. There is high resolution Color Doppler and Ultrasonography unit with latest probes. The other facilities like Digital Radiography, Conventional X-ray units and Image Intensifier provide the basic radiography set up.

The machine uses Total Imaging Matrix (TIM) technology. The MRI is capable of imaging the whole body with applications for brain, spine, abdomen, heart, musculo-skeletal, breast etc. In addition to routine studies, advanced applications in neurology, orthopedics, whole body diffusion, non-contrast perfusion and high-resolution peripheral imaging are available. In case of non-cooperative and pediatric patients, it is possible to correct motion artifacts. The imaging of abdomen can also be done with the help of this machine. Interestingly, the patient need not hold his breath while the process is carried out.

Other advanced applications like color mapping of tracts of brain, functional brain imaging, brain perfusion studies without contrast injection along with whole body diffusion imaging are possible on this equipment. The other available tools are three-dimensional (3D) acquisitions with sub-millimeter resolution of body, high resolution breast imaging, early detection of degeneration of cartilage and spectroscopy. Angiographies of limbs are also possible. While doing so, the patient need not change his position. The process is comfortable to the patient. Moreover, it can be done in no time.

MENTORSHIP PROGRAMME

Students admitted to the first year MBBS are from 10+2 stream and there is a structural difference between the school and college education. Therefore, for smooth integration, group of students are allotted to a faculty member who acts as their Mentor during the course. Regular counseling sessions are arranged for the students. Senior members of the faculty look after this activity. Every attempt is made to ensure that students feel confident and fully secure and the changeover is smooth.

UNDERTAKING FOR OBSERVING CODE OF CONDUCT

I have read, clarified and understood the regulations mentioned in the prospectus and information available on the website of www.dpu.edu.in. I fully subscribe to the concerns, vision & mission of, and the processes at the institute. I shall abide by the rules & regulations of the institute and the Vidyapeeth.

I know that I have to take part in all other non-academic activities irrespective of my religious faith and beliefs. Having understood the importance of these, I promise that I shall do it to the best of my ability.

In solemn assurance and acceptance after clarification and explanation of the above, I hereby affix my signature jointly along with my parent / guardian understanding that this is my own code of conduct to have a fruitful and memorable association with the institute and the Dr. D. Y. Patil Vidyapeeth, Pune. I am aware of the consequences if I violate any of the rules of the institute. I will accept the decision of the institute in case of any indiscipline on my part including termination from institute.
