#### Message from the Vice-Chancellor, BITS Pilani

#### Build the foundation of a great career at an Institution of Eminence

Dear Student,

Congratulations on choosing to attend BITS Pilani for your undergraduate education. You are now the youngest members of a global family of over 60,000 BITSians, as they are fondly called. The years you will spend here will present you with some of the best moments you ever lived, experiences that will shape you, and friendships that will possibly last a lifetime.

Our idyllic Indian campuses – Pilani, Goa, and Hyderabad – offer a lively and unique atmosphere of learning, camaraderie, and extra-curricular, with an eclectic mix of students from across India and abroad.

Throughout your program of study, there will be plenty of opportunities to hone your skills and develop yourself as a formidable student in the chosen subject area. After all, our academic standards and innovative pedagogy have been a pioneering feature in this country. Your learning will be driven by an unparalleled industry immersive curriculum with high flexibility that blends research exposure, novel pedagogic framework, and a recognized innovation and entrepreneurship eco-system. Let BITS Pilani empower you with the much sought-after cross-domain expertise and enable your journey in becoming a leader, the hallmark of a BITSian. The campus placement statistics are legendary and are the ones to beat in India. Once a BITSian, forever a BITSian – the alumni network will make sure to be a stakeholder in your success, extending support whenever you need it in your career.

Apart from a strong academic focus, campus life at BITS is known for a vibrant student life that you are going to be part of as soon as you arrive. I strongly urge you to rightly blend studies and play (and cultural activities), and use this opportunity to build a well-rounded personality by the time you graduate as a true blue BITSian. We expect you to assimilate and treasure the culture and experiences that each student brings with them, including yourself.

A good education enables us how to think, and also teaches the principles by which to live. BITS Pilani has structured a pathway to attain these goals. The qualities of innovation, enterprise, commitment to excellence, adherence to merit, and transparency have characterized the Institute during its inexorable march to eminence.

Do write to me with your suggestions and experiences.

Welcome aboard!

Prof. Souvik Bhattacharyya

Vice-Chancellor, BITS Pilani vc@pilani.bits-pilani.ac.in

#### 1. Birla Institute of Technology and Science (BITS) Pilani

The Birla Institute of Technology and Science, BITS Pilani, is a deemed to be university under the University Grants Commission (UGC) of India. The University is a dream come true of its founder late Mr. G. D. Birla - an eminent industrialist, a participant in Indian freedom struggle and a close associate of the Father of Indian Nation late Mr. Mohandas Karamchand Gandhi (Mahatma Gandhi).

The parent campus of BITS, at Pilani (Rajasthan), had a strong technical collaboration with MIT (USA) during its inception, under the Ford Foundation Grant. BITS have been accredited with the grade 'A' by the National Assessment and Accreditation Council of India.

Birla Institute of Technology and Science (BITS) Pilani, which has been conferred the status of an Institution of Eminence by the Ministry of Education, GoI, is India's leading Institute of Higher Education with an illustrious legacy, modern campuses, legendary placement and eminent alumni in leadership positions across the world. The Institute's commitment to excellence, adherence to merit, transparency, innovation, and enterprise have characterized its steady march to eminence. It is the only Private University which DST, GoI has identified to establish a Technology Innovation Hub under the Bio-CPS vertical with a grant of Rs 125 Crore.

BITS Pilani's commitment to transparency and stress on equal opportunity has been a key contributing factor behind its emergence as an institute of national repute. The University's rigorous intake process reward only merit and ensures that only truly motivated students join BITS.

In addition to academics, we also focus on providing students with opportunities for all round development. There is a culture of freedom coupled with a holistic environment for multidimensional growth. The students of the campuses are truly ready to become the innovators of tomorrow.

More information about BITS, Pilani and its' campuses can be found at: www.bits-pilani.ac.in

#### 2. Why enroll at BITS?

- The highest ranked non-government institute as per QS Asia 2020 and QS India 2020.
- Top class research-focused faculty.
- Purely merit-based student admissions.
- Three Indian campuses at Pilani, Goa and Hyderabad and one International campus at Dubai.
- Over 16,500 on-campus students.
- Option for six-month industrial training for students through a unique programme called 'Practice School'.
- Record of impeccable placements in Indian & multinational companies. More than 90% average placement success rate at three Indian campuses.
- Alumni in leadership positions in industry and academia.

#### 3. Eligibility

A student who satisfies all of the following criteria is eligible to apply:

- Only citizens (candidates holding foreign passports) of a country **other than** India can apply.
- Candidate should have passed qualifying examination (Grade 12) with Physics, Chemistry, and Mathematics with
  adequate proficiency in English conducted by the country's Board of Higher/ Senior Secondary Education,
  including those in India, or its equivalent examination such as the "A" levels (conducted by Cambridge
  International), the International Baccalaureate, etc.
- Candidate should have obtained a minimum of 75% aggregate marks (or 7.5 grade on 10-point scale), in Physics, Chemistry and Mathematics in the above examination.

- Candidate should have scored at least 60% marks (or 6.0 grade on 10-point scale) in each of Physics, Chemistry, and Mathematics in the above examination.
- Candidate should have a minimum aggregate score of 1160 (out of maximum of 1600) in SAT (reasoning) (new format) which includes a Reading Test, Writing and Language Test and Math test.
- Scores of candidates who had written SAT as per the old format will be mapped using concordance tables available from College Board (USA).
- The candidate should have written the SAT **not earlier than** February 1, 2020.

#### IMPORTANT NOTES

- 1. Candidates who do not have any of the following marks/ scores at the time of applying can submit the application:
  - (i) SAT score (yet to take SAT)
  - (ii) Qualifying examination\* results (appearing in qualifying examination in 2022 or appeared in 2021) \* Only Students who are appearing for 12th examination in 2022 or who have passed 12th Examination in 2021 are eligible.

They MUST submit the SAT score/ qualifying examination result as early as possible, but NOT later than the dates given below:

- i. SAT score July 30, 2022
- ii. Qualifying examination (Grade 12) results July 30, 2022.

Qualifying examination (Grade 12) marks should be uploaded on the website by July 30, 2022 if results are announced by then.

- 2. If a candidate fails to furnish any of these by the specified date or fails to meet the eligibility criteria (i.e. secures less than specified minimum in Class 12 (only) and/ or SAT test and thus becomes ineligible), his/ her admission would stand canceled. Details of the Refund Policy will be announced at the time of making admission offers.
- 3. Candidates for whom the above qualifying score is not available at the time of making admission, would be considered and may be offered 'provisional admission' based on their SAT score.
- 4. The 'provisional admission' would be confirmed after the missing score/s is/are received, found to meet the stipulated eligibility requirements, and all other stipulated admission requirements are complete.
- 5. First list of the admission offers to selected candidates will be released in the second week of August 2022.

#### 4. Admission Process

Candidates applying to the undergraduate programmes at BITS-Pilani are required to:

- Appear for Grade 12 (qualifying) examination and Scholastic Assessment Test (SAT), which includes a Reading Test, Writing and Language Test, and a Math Test.
- Request College Board to send SAT scores to BITS Pilani (DI code: 7759–BITS Pilani).
- Fill the Application Form online latest by July 30, 2022. The SAT score should be available to the Candidates at the time of their application. Candidates should also ensure that their SAT score must be received by BITS Pilani through College Board officially latest by July 30, 2022.
- Upload required documents such as Grade 12 marks sheets, photographs, copies of passport, etc. (if transcripts are
  not available, submit by July 30, 2022). The passport should be valid for a minimum of six months from the date of
  joining the institute.
- Submit the application and pay the application fee of Rs. 6750/- online only.

- Upon completing the application form online and payment of the application fee online, an acknowledgment will be generated, and candidates should keep this copy of the submitted form and payment details (acknowledgment) with themselves for any future use. Additional or missing information, if any, may be asked by BITS Pilani through email from the candidates. Please quote the application number in all your correspondences related to admissions.
- The merit position of all eligible candidates will be prepared based on their SAT scores which include a Reading Test, Writing and Language Test, and a Math Test. If there is a tie, it would be eliminated using the following criteria:
  - I. First, the number of years of education spent by the candidate in a foreign country shall be considered for resolving the tied scores.
  - II. If the tie still exists, their Physics, Chemistry, and Mathematics (PCM) total marks in the 10+2 examination shall be considered for separating them.
  - III. If the tie still exists, their scores obtained in Mathematics subject in the 12th-grade examination shall be considered for separating them.
  - IV. If the tie still exists, their Physics subject scores in the 12th-grade examination shall be considered.
  - V. If the ties still exist, their Chemistry subject scores in the 12th-grade examination shall be considered to break the tie.

The admission committee reserves the right to impose any further or additional criteria such as conducting the online test, interview of the student, evaluation of extra-curricular activities and exceptional talent, etc., in case of any further tie, which shall be announced if the situation warrants.

 Candidates may also be interviewed before offering admission. The related information will be shared with the candidate through email.

#### **Important Note:**

Admission offers for those students who submit the SAT score on or before July 30, 2022, will be announced through the website (www.bitsadmission.com/ois) during second week of August 2022 with details of reporting date, scholarships and other requirements and relevant information. Candidates will be given ten (10) days to accept the offer and pay the first semester fees. Once the fee is paid, BITS would then send the printed copy of admission letters to the students requiring applying for VISA.

All information and communication regarding International Student Admission 2022 is made available to the candidates on the International student admission website <a href="www.bitsadmission.com/ois">www.bitsadmission.com/ois</a>. Candidates are advised to view this website regularly for up-to-date announcements and all related information for admissions under this scheme.

#### 4.1 FAQs on Admission Process and Eligibility

- 1) What is SAT and where can I take the SAT Test?
- SAT stands for Scholastic Assessment Test and is administered by College Board, USA. You may refer this link <a href="https://satsuite.collegeboard.org/sat/whats-on-the-test">https://satsuite.collegeboard.org/sat/whats-on-the-test</a> for more details.
- 2) Is the SAT Subject score required for admission?
- No, SAT subject score will not be required for admission. As mentioned above, merit position of all eligible candidates will be decided based on their SAT score and other criteria mentioned above.
- 3) What is the last SAT sitting that BITS Pilani will accept for applicants?
- We suggest that applicants should take SAT tests latest by June-2022.
- 4) The admission offer will be made based on the latest SAT score or the best of the SAT Scores?
- Applicants are requested to submit their best SAT score by the specified deadline, which will be considered to
  prepare the merit list for admission.
- 5) What is the Designated Institution (DI) code of BITS Pilani for SAT?

• Designated Institution (DI) code is 7759 – BITS Pilani.

#### 6) When will I hear if I've been admitted?

 You will be informed about our admission decision by second week of August 2022 through the International admission website (www.bitsadmission.com/ois). Please make sure to check the website by then.

#### 7) Does BITS Pilani maintain admission wait-lists?

• Yes, BITS Pilani maintains wait-lists. Wait listed students will be also informed through the website.

#### 8) Is an interview part of the selection process?

 You may be interviewed before the final decision on admission is made. You may appear for the interview remotely.

#### 9) Does BITS Pilani provide scholarships?

Merit-based scholarships are available for all the admitted students in the form of tuition fee waivers which
range from 15% to 80%. In the first semester, scholarships will be awarded based on the candidate's standing
in the merit list. Continuation of the scholarship in subsequent semesters will depend on performance of the
student at BITS Pilani.

#### 10) What is the medium of instruction at BITS?

• All lectures and official communications are in English.

#### 11) What if my results are not available at the time of admission?

Without SAT score your application to BITS Pilani would be incomplete. In case your Grade 12 (qualifying
examination) results are not available when you apply, you will be offered provisional admission based on other
eligibility criteria. However, you would need to submit results by July 30th failing which your admission would
be cancelled.

#### 12) Are admissions open to all the four campuses of BITS?

For the academic year 2022-2023, admissions are open at the Pilani, K. K Birla Goa and Hyderabad campuses
of BITS Pilani.

## 13) Is it possible for a citizen of a country other than India to choose the admission via either of the intake processes, that is - BITSAT or International Student Admission?

A student who is a citizen of a country other than India can choose to appear for both the modes of
admission, that is - BITSAT and International Student Admission (ISA), provided eligibility criteria for each of
the modes are met. Through ISA, admissions are open to the Pilani, Goa and Hyderabad campuses of BITS
Pilani. The timeline for the two modes of admission (BITSAT and ISA) are different. For more details about
BITSAT, you may visit: www.bitsadmission.com

#### 14) Where is Pilani?

• Pilani is located 200 km west of Delhi and 220 km north of Jaipur in the State of Rajasthan and in northwestern part of India.

#### 15) Where is Goa?

• Goa is located in the western region of India; it is bounded by the state of Maharashtra to the north, and by Karnataka to the east and south, while the Arabian Sea forms its western coast. It is India's smallest state by area and the fourth smallest by population.

#### 16) Where is Hyderabad?

 Hyderabad, the City of Pearls, is located in the north-western part of the State of Telangana in southeastern India.

#### 17) What about Visa?

 Most foreign nationals need a Student Visa to study in India. Admitted students would need to apply for a visa at the Indian Embassy/Consulate in the country that they reside in.

#### 5. Orientation Week

Orientation week gives you an opportunity to:

- Acclimatize to the Indian environment
- Get familiar with the BITS Academic system
- Get to know your way around campus and to meet your peers
- Check out the city's main attractions, on a guided tour organized by BITS.

#### 6. Undergraduate Programme Overview

BITS Pilani offers Engineering and Science programmes for international students in the academic year 2022-2023 at Pilani, Goa and Hyderabad campus.

#### **Bachelor of Engineering (B.E.)**

These four year programmes in Engineering are a combination of Mathematics and Science based courses and incorporate up to date techniques of analysis and synthesis.

<b>A1</b>	Chemical Engineering	A7	Computer Science
A2	Civil Engineering*	A8	<b>Electronics &amp; Instrumentation Engineering</b>
A3	Electrical & Electronics Engineering	AA	Electronics & Communication Engineering
A4	Mechanical Engineering	AB	Manufacturing Engineering**

#### Bachelor of Pharmacy (B. Pharm.)

This four year programme trains students in all diverse fields of pharmacy orienting their applicability to industrial and research needs. The programme offers students additional courses which give the shape and flavor of engineering as well as fundamental sciences giving an added dimension to the student's academics. This programme will be offered at Pilani & Hyderabad campuses only.

#### Master of Science (M.Sc.)

These are four-year integrated degree programmes without any intermediate Bachelor of Science degree. While these programmes ensure the required science component in any comparable post-graduate science degrees of other Universities, they also incorporate many courses which have been notionally considered to be the preserves of Engineers.

B1	Biological Sciences
B2	Chemistry
В3	Economics
B4	Mathematics
B5	Physics

<u>Note:</u> Students applying under International Admissions Scheme will have an option to edit their preferences within the window (July 23 - 30, 2022).

#### 7. Programme Structure (B.E., B. Pharm. and M.Sc.)

<sup>\*</sup> This programme will be offered at Pilani & Hyderabad campuses only.

<sup>\*\*</sup>This programme will be offered at Pilani Campus only.

Integrated Degree Programmes in Bachelor of Engineering, Bachelor of Pharmacy and Master of Science have several common courses. These degrees are based on a modular structure and their academic requirements are spelt out in respect of the number of courses and units. All these programmes are structured in such a way that normally a student will be able to finish a programme in eight semesters. The flexibility of the institute allows a student to do his programme at a faster pace and finish it earlier than eight semesters or at a slower pace to finish later than eight semesters.

Category		Number of Credits/ Units Required	Number of Courses Required
(I) General Institutional Requirement	•		
Humanities Electives		8	3
Science Foundation		12	6
Mathematics Foundation		12	4
Engineering Foundation		6	2
Technical Arts		10	4
General Awareness / Professional Courses		3 to 6	1 to 3
Sub-Total		51 to 54	20 to 22
(II) Discipline Requirement			
Core		33 to 48	10 to 16
Elective		12 to 27	4 to 9
Sub-Total		57 to 60	15 to 20
(III) Open Electives		15 to 27	5 to 9
Course work Sub-Total		129 (minimum)	41 (minimum)
(IV) PS-I and II		25	2
OR		OR	OR
Thesis		9 to 16	1
	Total	144 (minimum)	42 (minimum)

#### 7.1 FAQs on Programmes

#### • What is practice school?

During Practice School (PS), the classroom is shifted to a professional location where the students, under the supervision of the faculty are involved in applying the knowledge acquired in the classroom for finding solutions to real life problems. The PS programme consists of two components: PS-I of 2 months' duration implemented during the summer following the second year and PS-II of 5 ½ months duration, implemented during either of the semesters of the final year.

#### • What is the Thesis option?

An integrated undergraduate degree programme student must opt for either Thesis or Practice School in their final year of study. In the Thesis option, students will be assigned a topic of research on which they are required to work either at BITS or at a collaborating organization for duration of five and a half months.

#### 8. Fees

\*Following fee structure is of last academic year 2021-22. The Fee structure for 2022-23 will be updated on the website www.bitsadmission.com/ois

BITS Pilani Fee structure for AY 2021-2022 for International Students (Each Academic Year consists of two semesters: the First Semester is between August and December; the Second Semester is between January and May. There is an optional Summer Term from May-July)

Fed	e structure IS	SA-2021-2022	(All figures a	are	in INR)		
Non-SAARC Students					SAARC students		
	One Time	Semester 1	Semester 2		One time	Semester 1	Semester 2
Application Fee	6750				6750		
(	One time Fee	s (Payable at t	he time of Ad	mi	ssion)		
Admission fees	116800				116800		
Facilitation fee (covering charges for local travel, room and board during "orientation" in 1st month)	16130				16130		
Institute Caution Deposit (Refundable on graduation or leaving the Institute, after adjusting all dues).	32000				32000		
An	nual Fees (Pa	ayable along w	ith First Sem	est	er Fees)		
Students' Union, Student Aid Fund		4160				4160	
Semo	ester Fees (Pa	yable before t	he beginning	of	Semester)		
Tuition Fees		554750	554750			327750	327750
Hostel Fees and Internet Charges		44250	44250			44250	44250
Mess and Electricity Advance (this is adjusted against mess and electricity bills at the end of each semester).		10000	10000			10000	10000
Totals	1,71,680	6,13,160	6,09,000		1,71,680	3,86,160	3,82,000

In addition to the above, students may be required to pay for food, electricity; Medical/Health and other insurance; Visa (Application Fees/Renewal Fees) etc.

#### 8.1 Scholarship Policy

- 1. All the International students admitted under the scheme will be provided merit scholarships in the form of tuition fee waiver as follows:
- Tuition fee waiver is based on merit: Top 4% students will get 80% waiver, next 10% will get 50%, next 20% will get 30% waiver, and remaining will get 15% Tuition fee waiver. All fee waiver decisions will be announced after admissions are completed.
- 2. Subsequently all scholarships will be for a semester only.
- 3. The student must maintain minimum academic performance to be eligible to receive scholarships. The specific conditions are as follows:
- For further scholarship eligibility during subsequent semesters while studying in BITS, a student has to score a Minimum CGPA of 8.0 to claim 80% tuition fee waiver, and a minimum of 6.0 CGPA for claiming any other scholarship level (50, 30, or 15%) while remaining in top 4, 10, 20, and 66% percentage respectively.
  - 4. Merit scholarships will be provided only for the normal duration of the programme.

#### 8.2 Rules for Payment of Fees and Refund Policy

For the International students the rules concerning payment of fees and refund thereof will be announced at the time of releasing the admission offers during second week of August 2022. Please visit the website by then for details.

#### 8.3 FAOs on Fees

#### • Does every admitted student get a tuition fee waiver in the first academic year?

Yes, every international student admitted to any undergraduate programme is entitled to a tuition fee waiver, ranging from 15% to 80%.

#### • At the time of admission, do I have to pay fees for the entire academic year?

At the time of admission, only first semester fees are to be paid.

#### Can I pay my fee in installments?

Fee for any semester cannot be paid in installments.

#### · Can I work on a student Visa?

Visa restrictions do not permit students to work in India.

#### 9. Visa

India is known for its educational excellence, and it is a popular destination for many international students. International students should obtain a Student Visa valid for the full duration of the course from the Indian Consulates/Embassy situated in their own country.

A student would bear the responsibility to ensure that visa should be applied well in advance at the Indian embassy in his/her country. It takes at least three weeks for the Indian Embassy to issue a student visa.

BITS Pilani admission letter should be used to obtain student visa. International students taking admission at BITS, Pilani should make sure that the student visa is endorsed to BITS, Pilani by the visa issuing authority.

After entering India, within 14 days, international Students (other than PIO/OCI Card holders) are required to register themselves with the Foreigners Regional Registration Officer (FRRO)/Foreigners Registration Officer (FRO). Office of International Students (OIS), BITS Pilani, will facilitate the Registration.

#### 9.1 FAQs on Visa

#### 18) What is the duration of a Student Visa?

Student Visas are issued for the duration of the academic course of study or for a period of five years whichever is less, on the basis of letters of admission from BITS, Pilani.

#### 19) Where should I apply for a student visa?

You should approach the Indian Embassy/Consulate in your home country to apply for a student visa.

#### 20) Can a foreign student change his/her Institute/University after coming to India on student Visa?

The name of the Institute/University is to be mentioned while applying for the visa, which is then mentioned on the visa. A request for the change of university or institution subsequently made cannot be considered. In this case a foreign student would need to go back to his/her home country and apply for a new visa.

#### 21) Can BITS Pilani assist in getting student visa?

Student would be responsible to get the student visa. BITS Pilani would issue a letter of admission (after all requirements are met), this letter is to be used for getting the student visa.

#### 10. Life on Pilani Campus

BITS Pilani, Pilani Campus is located in the Vidya Vihar campus adjacent to Pilani town in Jhunjhunu district, in Rajasthan. Pilani is the home town of the Birla family and has a population of about 50,000. It is about 200 km west of Delhi and about 220 km north of Jaipur. The Institute buildings, hostels and residential quarters for staff with neatly laid out roads, lawns and gardens constitute the BITS Campus of about 240 acres.

#### CAMPUS AND ITS ADJOINING FACILITIES

#### Shiv Ganga and Saraswati Temple

Shiv Ganga is a central beauty spot of the Vidya Vihar Campus with 400 meters circular canal and the Sharda Peeth, a beautiful white marble temple dedicated to Goddess Saraswati.

#### **Guest Accommodation**

Limited facilities are available for board and lodging on payment at the VFAST Hostel (Visiting Faculty and Students Hostel), which is located near the entrance of the Campus. This apart in the campus, there are lodges and hotels in Pilani town.

#### **Shopping centers**

AKSHAY, a Supermarket, located in the heart of the campus in an area of 7500 sq.ft. with an elegant modern building is a part of BITS I-5 Consumers' Cooperative Stores Ltd. (BITS Coop). Student volunteers of the Institute have worked with management of the BITS Coop in the establishment of the Supermarket.

#### Medical entre

Pilani Campus has a Medical Centre, which caters to the medical needs of the students and staff. It has a full time Physician (MD) and a Gynecologist, who attend to the patients both in the morning and evening outdoor hours. A dental surgeon and a Pediatrician visit the centre once in every week. Similarly the centre also provides services of part time ENT, homeopathy, and Ayurvedic specialists. The Centre has a good clinical laboratory for all major biochemical, hematological, urine, stool and other routine tests.

#### Birla Museum

The Birla Museum is located adjacent to the Institute Building. It is the first science and technology museum established in the country. Most of the exhibits and models incorporate stimulating animations and visual effects.

#### **Central Electronics Engineering Research Institute (CEERI)**

Adjoining the Campus, there is the Central Electronics Engineering Research Institute. It is one of the National Laboratories under the Council of Scientific & Industrial Research (CSIR).

#### **Student Housing**

The Institute is fully residential and hostel accommodation is provided to all students. There is a common kitchen cum mess unit for every set of two boys' hostels. Each unit of the mess serves vegetarian and non-vegetarian food and the unit operates under the management of different students' committees. The girls' hostel, however, has a separate mess of its own, situated within the boundary of the hostel.

#### **Student Activities Centre**

The Institute has a Student Activities Centre housed in a separate building where students have their union office and rooms for various activities. This building also has badminton courts, a squash court, a Table tennis room, a Health Club, an open air amphitheatre and a cafeteria.

#### **Cultural and Recreational Activities**

The Institute has following clubs and societies: Music, Dance, Hindi Drama, English Drama, Hindi Press, English Press, Creative Activities, and Mime clubs; English Language Activity and Hindi Activity societies. These are entirely managed by the students and have been nurturing the creative and cultural talents of the students. In addition, the Institute runs Recreational Activity Forum, Photography Club, Swimming Club, and Health Club whose membership is open to students and staff. The Institute also organizes Theatre and Dance workshops. A classical music group called 'Ragamalika' aims at encouraging budding talent among the students in music and dance. It also arranges performances by leading artists in the field of classical music and dance. In addition, there is also a BITS Pilani Chapter of SPIC-MACAY which organizes programmes to promote Indian classical music and culture amongst youth. Recreational Activity Forum (RAF) regularly organizes film shows and cultural programmes for the BITS community. BITS being an all-India Institute, students have also established regional associations representing almost all Indian States conducting several special programmes on festive occasions.

#### **Physical Education**

Physical Education of the Institute aims at providing a safe atmosphere to enable students and staff members to exercise to their potential whilst achieving their goals. It offers a variety of fitness, wellness, and recreation opportunities, and Fitness Programmes including Yoga and Martial Arts. The Physical Education has major facilities that include Health Club, Swimming Club and Sports Club. Health Club is equipped with single and multi-stationed machines and weight training facilities to provide students with an opportunity of doing exercise for physical fitness. Swimming Club has a swimming pool of 25 m length while Sports Club has various indoor and outdoor facilities for students to take part in sports and games. The indoor facilities are Badminton, Table Tennis and Squash with synthetic flooring while outdoor facilities are Basketball, Football, Hockey, Volleyball, Cricket, Tennis, Track & Field (400 m) etc. Sports and fitness activities are supervised by the qualified and experienced staff members of the Institute.

#### **Festivals on Campus**

Traditionally students organize three festivals during an academic year. BOSM (BITS Open Sports Meet) in September, a sports festival; OASIS, a cultural festival in October and APOGEE (A Professions-Oriented Gathering Over Educational Experience), an Academic Festival in February thus bringing about a beautiful blend of sports, cultural and academic milieu of the campus. All the three festivals are entirely managed by students in which a large number of students from all over India actively participate.
